KITTEN CARE KITS

Shelters don't always have the capacity to provide the special care that young kittens need, so many kittens are killed in shelters. By using Alley Cat Allies' Kitten Care Kit, you become a kitten hero—helping your local shelter and saving lives!

This Kitten Care Kit has everything you need to keep kittens healthy before adoption. Whether they're neonatals who just opened their little eyes, or fuzzy five-week olds who are starting to explore their world, you are now equipped to be a kitten hero.

Kit contents vary slightly different depending on kittens' age, but they all start with a cardboard carrier filled with items like:

KITTEN MILK REPLACEMENT

KITTEN NURSING BOTTLE

ONE 3-CC SYRINGE FOR FEEDING

CANNED KITTEN FOOD

PUPPY PADS

A FOIL PAN LITTER BOX

KITTY LITTER

Kittens have different needs at different ages, so follow the chart below to see what kittens need in a kit.* Start with a cardboard carrier and get building! Tip: not sure how old the kittens are?

Check out www.alleycat.org/KittenProgression.

	Two Cups of Kitten Milk Replacer Powder	Two Cans of Liquid Kitten Milk Replacer	One Kitten Nursing Bottle	One 3-cc Syringe (without needle)	Six Cans of Kitten Food (to mix with Kitten Milk Replacer)	One Case of Kitten Food	One Foil Pan	Three Puppy Pads	Four Pounds of Kitty Litter
2-3 WEEKS OLD (8 OZ. – 15 OZ.)									**
3-4 WEEKS OLD (1 LB. – 1 LB. 3 OZ.)									
4-5 WEEKS OLD (1 LB. 4 OZ. – 1 LB. 7 OZ.)									

*These suggested quantities are based on the typical needs of one kitten for two weeks. The above chart is a guide, as kitten needs may vary. (For example, as kittens wean at 4-5 weeks, they may need a combination of kitten milk replacer and wet food.)

**You won't need kitty litter until the kittens are 3 weeks old—until then you will help the kitten go to the bathroom.

Alley Cat Allies' Kitten Care Kits were developed in partnership with the Animal Coalition of Tampa and the Pet Resource Center—Tampa, Florida's local shelter. The shelter hands out Kitten Care Kits, equipping citizens with specialized items to help them care for kittens as a fosterer. Fewer tiny kittens coming into the shelter means more lives are saved!
